RE: WATER DISTRICT #74-B

Dear Ms. Cockrell:

Thank you very much for sending us the Adopted Budget for Water District 74-B. Before we can officially certify a Watermaster for your water district we are required to receive a copy of the annual water district meeting, the Petition For Watermaster's Services, and the Official Oath. Once these items are received we can then complete the certification process for Watermaster in your water district.

Thank you for your on going help in this matter. It is appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Harold W. Jones".

Harold W. Jones
Water Right Supervisor
