We received a copy of the annual meeting for Water District 74-A on March 10, 1999. Enclosed is a copy of our response to the Secretary for the Water District. Also enclosed are the Daily Record Books you were in need of. Just as soon as we receive the Proposed Budget and the Watermaster's Report for this Water District we will then send the remaining forms your district will need prior to your certification as Watermaster for the 1999 irrigation season.

Dear Mr. Kohl:

Thank you for submitting the minutes of the annual meeting for Water District 74-A. In November 1998 we sent the needed forms to begin the process for the 1999 irrigation season. These were sent to the 1998 Watermaster. We are sorry these forms did not reach you.

Enclosed is another set of the beginning forms. Please have the Watermaster's Proposed Budget for 1999 and the Watermaster's Report for 1998 completed and returned to this office. Upon receipt and review of these items we will be pleased to send the subsequent forms that are needed to certify the Watermaster's position.

Thank you for your time and help.

Yours truly,
