RESOLVED: All assessments are due and payable April 1, 2004. No water user shall have the right to demand and receive water, and the water master shall not deliver water to such persons, until the assessments, as set by the current budget are paid in full.

RESOLVED: That when one water user has his water shut off, whatever the reason, the water master will notify the other users who may want the water. High water is to be equally divided among all water users who want to use it.

RESOLVED: The water master is to be paid four times year. 4/15/04 – 6/15/04 – 8/15/04. The last payment will be issued after the water master's report has been filed with the Water Resource and all the locks (if being used) have been removed from the head gates at the end of the irrigation season.

The water master compensation is as follows:

\$325.00 salary less withholdings

\$250 mileage expense

\$25.00 misc

Total: \$600.00 gross pay less withholdings

With no further business the meeting was adjourned.

Boyd Stokes – Chairman      Valerie Olson – Secretary
