WATER DISTRICT 74

SALMON, ID. 83467

Dear Mr. Sager:

I have been requested to contact you concerning Water District 74. To date this office has not received any of the required forms or information for the certification of Watermaster for Water District 74.

It is urgent that we receive a copy of the minutes of your annual meeting. We also need to receive the Adopted Budget for 2000 and the Oath of Office. If Water District 74 collects its own money and collects \$3,000.00 or more annually we also need the Oath from the treasurer. These forms were sent quite some time ago. Another set is being sent to the last know secretary for Water District 74, Donna Barsalou.

I tried calling to discuss this but found the telephone number we had for you has been disconnected. We have no phone number for the secretary.

The prompt cooperation and help from Water District 74 will be appreciated. Thank you for your time and help.

Sincerely,
