CECIL D. ANDRUS
GOVERNOR

R. KEITH HIGGINSON
DIRECTOR

Dear Bob:

Attached is some additional information regarding standard sharp crested weirs. This will provide a little more detail than the University of Idaho manual given to you by Tony at our Idaho Falls office.

Dennis Dun has advised me that his office will generate a new water rights report for the District 73 watermaster. A copy will be forwarded to you by Dennis. If you have further questions contact either me or Dennis.

Sincerely,

A handwritten signature in cursive script that reads "Tim Luke".

Tim Luke
Hydrologist
Water Allocations
