Re: Water Rights Listings

Dear Troy:

I understand that our regional office in Idaho Falls recently provided both you and Maria Dowton with a water rights listing that included Snake River Basin Adjudication (SRBA) claims filed on existing decreed rights, permitted rights, and licensed rights.

It is my experience that sometimes these SRBA claims vary somewhat from the original decreed or licensed rights in regard to total diversion rates or other information. I am therefore forwarding you an additional list containing all original decreed, permitted, licensed rights and beneficial use (or statutory) claims within the Pashimeroi basin. This list should serve as an additional reference to those lists which you have already received. This list was compiled in 1992 for Rose Johnson. It was my understanding that this same list as well as perhaps an SRBA listing was provided to you or Ms. Dowton by Rose at the expiration of her term.

Please call this office or our regional office if you have questions regarding the lists or need other assistance.

Sincerely,

Tim Luke
