RE: Water District 72-F, Morgan Creek

Dear Mr. Ward;

We have received your 2005 Watermaster's Report, two daily-record books, and your 2006 Proposed Budget.. The Report is being returned for correction, as it totally disagrees with your adopted budget; the budget figures shown are from 2004 when the budget was \$2000 instead of \$4000 as it is now. A new report form and a copy of the 2005 budget are enclosed for your use, as are 4 daily-record books.

Regards,

James E. Stanton
Sr. Water Resource Agent
