Re: Waste Water Conveyance to Musser Farm

Dear Mr. Hepworth:

This letter confirms that I have faxed you a copy of the letter dated April 8, 1994 from Bryan Kenworthy, Hagerman National Fish Hatchery Manager, to Mr. Howard "Butch" Morris. The Department received a copy of this letter earlier today, April 19.

I also wish to notify you that I discussed this matter with Mr. Kenworthy this morning via telephone communication. Mr. Kenworthy advised me that he has not yet received the information that was requested of Mr. Morris outlined in the April 8th letter.

I also wish to notify you that the Department's regional office in Twin Falls is expediting the processing of the Morris water right application. The Department can provide documentation of the water right application immediately upon request. The Department is also willing to provide any assistance which will help expedite the completion of the conveyance to the Musser farm.

Respectfully,

A handwritten signature in cursive script that reads "Tim Luke".
