April 29, 1996

Dear Sirs;

In response to your order dated April 25, 1996, we will request permission from the SRBA Court to file a late claim on Water Right 36-00115 for irrigation, domestic, stockwater, and fish propagation with a total of 1.6 cfs. We also will talk to Mr. Ellis concerning the possible rerouting of our pond effluent so that it can be picked up and used in his fish ponds. We will do everything we can to protect our water rights.

Sincerely,

Robert E. Tupper
