Re: Call for Delivery of Water by Aqua Life, Inc. - Tupper Spring

Dear Mr. Ellis:

I was reviewing my files yesterday after our meeting in which we discussed your interest in renewing your calls on Tupper Spring, Big Spring and Billingsley Creek.

I was looking for the 1957 warranty deed which was reviewed at our meeting on May 7th at the Tupper residence. This is the deed which Tupper says that 1 cfs of water is reserved to him. I sent you a copy of this deed after the May 7th meeting. I can not locate this document in my files. It is possible that Norm Young may have a copy. However, Norm is recuperating from surgery and will not return to the office for at least another 30 days.

I would like to ask you to send me a copy of this document for my files at your earliest convenience. Thank you for your cooperation in this matter.

Sincerely,

Tim Luke
