Re: Minutes of Goose Creek Water District 45-C

The meeting was called to order at 2pm on March 7, 2011 at the Oakley Canal Co. office. The following members were present: Jared Bedke, Arden Cranney, Michael Poulton, James Mullin, Eric Bedke, Kelly Adams and Carl Austin.

The first order of business was the appointment of officers. The method of voting was by majority vote of the water users present (Section 4, statute 42-605). Kelly Adams was reappointed secretary for the water year 2011. The minutes of the 2010 annual meeting were read and approved as written.

The budget was approved as the same as previous years. It was noted that since no money is collected the need for a budget is not required. The same goes for the need of a treasurer. It was voted that the same resolutions adopted in the previous years be adopted for water year 2011. These motions were all accepted.

Michael Poulton was reminded that he still has 3 years on his watermaster term. He was commended for his work both on the ground and in the office (.33). The watermaster reviewed the water decrees in District 45-C with those present and they were determined to be correct. He presented the annual report and said that a copy was sent to IDWR and was waiting for approval. Michael mentioned that IDWR considered us in good standing.

Those present accepted this district's actions in the 2010 water year and deemed them appropriate for the 2011 water year.

Please send a copy of the watermaster oath and any other correspondence pertaining to water district 45-C to: Michael Poulton @ P.O. Box 279 Oakley Idaho 83346 or to the secretary Kelly Adams @ P.O. Box A Burley Idaho 83318.

Compiled by Secretary Kelly Adams
