Um, 130 has no fixed advisory committe, only the steering committee. Tim received an agenda for our next meeting, which lists the regular participants, but there are no addresses. And, about half the list are attorneys for someone or the other. I would consider the following:

Cindy Yenter
Tim Luke
Lynn Tominaga
Mike Faulkner, Faulkner L&L and NSGWD
Kay Hardy, Idaho Trout Processors
Larry Cope, Clear Springs Trout
Dan Temple, A&B Irrigation
Jon Bowling, Idaho Power
Mike Green, Blue Lakes Trout and Pisces Investments
Dean Stevenson, MVGWD
Orlo Maughn, MVGWD
Jeff Martin, NSGWD
Jack Hirai,NSGWD
Dan Yore, WD36A
Thorleigh Rangen, Rangen Inc
Frank Erwin, WD 36A

I may have missed someone but that's the core group. You can find most of these addresses in WMIS, as they're all water users except Jeff, Tim, Lynn and myself.

Good Morning -

Could you both send me the advisory list for WD 120/ WD 130.
I need the addresses. Twin Falls Canal is going to invite them to a tour of their facilities.
Please send today if possible.

Thanks.
Dayna
