

APR 15 2008

DEPT. OF WATER RESOURCES
SOUTHERN REGION

Meeting was called to order by Mary Peterson at 2:15 April 8, 2008 at James Peterson residence.

Those present were: Guy & Kathleen Filson, Blair, Arlen and Mrs Crouch.

Bruce Price

Marilyn Merrill

Anita and Terry Clark

Mary & Jim Peterson

Minutes for 2007 were read and approved.
172.39 in bank.

The proposed budget was announced at \$290. Bruce Price brought up the subject wages. Bruce thought the wages should be doubled from \$250 to \$500 and the assessments should be doubled to cover the raise.

Bruce Price moved the watermaster wages be raised to \$500, and the assessments be doubled to cover it. Marilyn Merrill seconded. Arlen Crouch brought up the fact that if the watermaster checks water twice a week \$500 is not enough. The motion passed. Arlen objected because he thinks ^{wages} ~~it~~ should be more, and the watermaster should check water delivery of everyone at least two times a week. He doubted it was done in 2007. He was told the watermaster checked water 2 times a week.

Bruce Price agreed to be assistant watermaster. Marilyn nominated Jim Peterson for watermaster. Bruce Price for assistant. Guy Peterson seconded. Jim was elected watermaster. Arlen Crouch stated he completely supported his irrigators.

Anita Clark asked how much each @FS
