

Minutes of the WD130 2010 Annual Meeting

February 2, 2010 Idaho Fish and Game Meeting Room, Jerome ID

The WD 130 Advisory Committee met at 12:30pm to discuss the proposed Budget and Resolutions.

The general meeting was called to order by the meeting chairman, Phyllis Beard at 2:00pm.

Lynn Carlquist gave a treasurer report. He reported the carry forward in 2008 was not available this year, resulting in higher assessments. This was due mostly to extra work by the watermaster administering the curtailment. There was \$5000 in uncollected assessments. All of the reports were ok in accountability.

The minutes from 2009 meeting were read by Faye Featherly which were approved by the members.

A presentation of the Water Master Budget was given by Cindy Yenter. Cindy explained the process of curtailment and how it's done. She also explained that self reporting of data by users had pretty much been eliminated, and both the water district staff and ground water district hydrographer were collecting most of the meter data. This has resulted in better data being collected.

Changes in the Resolutions were discussed by the group and adopted. Adoption of Resolutions included election of Cindy Yenter as Watermaster and Lynn Carlquist as Treasurer.

A report was given by Tim Luke from IDWR. He reported on providing assistance on curtailment. Followed up on illegal diversions, sent notices of violation of which some were 1-2 years old. Notices were sent out to users to install flow meters who did not have any. He looked at water spreading and sent letters to violators. Tim reported there should be adequate storage water supply for this year.

Chairman Beard had the group split up to choose water user representatives for the Advisory Committee. The selected representatives (and alternates) are as follows:

North Snake GWD – Lynn Carlquist (Rocky Hagen)

Magic Valley GWD – Dean Stevenson (Orlo Maughan)

A&B Irrigation District – Dan Temple (Dan Schaeffer)

Basin 37 ground water – none in attendance

Commercial, Municipal, Industrial – Phyllis Beard, Walt Appell (Faye Featherly, CJ Harris)

Spring Users – Gary Lemmon, Gary Marquardt, Larry Cope, Stan Standal, Jon Bowling (Randy MacMillan, Linda Lemmon)

There was no other business.

Meeting was adjourned at 3:00 pm.

Respectfully,

Faye Featherly, meeting secretary
