I do not recall receiving any notice from USFWS. Check with the regional offices?

John,

Did you receive a copy of this letter from the USFWS? We are trying to verify that a signed letter was actually sent.

I do not recall seeing any letter regarding this subject. I just verified with Gary that he has not seen it either. Have you checked with John Homan – he receives all public comment requests, and perhaps this was routed to him. Just a thought.

I never saw an original either.

Victoria, do you know whether Gary received the signed copy of this letter? Maybe it is still in his inbox?

Nick, did we receive a signed letter from Dar Crammond? If so, when did we receive it? I never saw a signed/delivered copy.
