RE: Water District 37-U, Fish Creek

Dear Lawrence;

I had an in-depth discussion of your situation with Tim Luke. He told me that we would not appoint a corporation as a watermaster. Tim also said that he does not want to continue having you perform watermaster duties without being appointed as either a watermaster or a deputy watermaster. He also does not want to have someone appointed as watermaster who is not physically able to do the job. Allowing someone to deliver water who is not legally appointed goes against the water-district statutes, and we can no longer allow this practice. If you want to talk to Tim directly, his number in Boise is 287-4959. Consider your situation, and let me know how you want to proceed.

Regards,

James E. Stanton
