WATER DISTRICT 36A

RECEIVED
MAR 14 2006
Department of Water Resources
Columbia River

Members of Water District 36A met for their annual meeting on Monday, March 6, 2006, at 1:00 P.M. at the American Legion Hall in Hagerman. 22 members and guests were in attendance.

Lynn Babington, Chairman, opened the meeting. Motion by Ron Howard that the present Chairman and Board Members be elected to continue for another year. Seconded by Kenny Crist. Motion carried.

Board Members elected are:

Lynn Babington, Chairman
Gary Lemmon, Co Chairman
John Mavencamp
Dan McFaddan
Howard Morris
Bryan Kenworthy
Dan Yore
Gwen Tzanakakis

Motion by Gwen Tzanakakis that Deloris Jones continue as Secretary-Treasurer. Seconded by Verl Bell. Carried.

The Secretary read the minutes of the March 7, 2005, meeting. Minutes approved as read.

Watermaster Frank Erwin made his report. He estimates this years water delivery will be a little less than last years. Measuring devices have been new or up graded on Hunt, E. M. Bell, Sands and Hoagland Tunnel ditches. Frank explained the measuring data he and Troy Winward have made the past year and comparisons with previous data. Copies are available to anyone who wants the information. Curran Tunnel low this past year was between 1 & 2 CFS and a high of 5.67 CFS.

A Budget in the amount of \$3500.00 was presented. Motion by Gwen Tzanakakis to accept the proposed Budget for the 2006 year. Seconded by Verl Bell. Motion carried.

Motion by Dan Yore to elect Frank Erwin as Watermaster for 2006 year. Ron Howard seconded. Motion carried.

Cindy Yenter, Water Master for District 130 made a report. Since Last year action has been taken regarding State Conjunctive management law. Karl Dreher, Idaho Department Water Resources has suggested that 36A might become a part of a new District composed of 36M and some of 36 which is now in 130. This would put all spring users from Thousand Springs to Bliss in same District. Nothing decided as yet.

March 6, 2006
Annual Meeting
Water District 36A

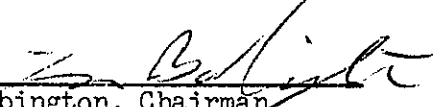

Question had been previously asked as to financial cost of 36A going into 130. Cindy made a rough draft of possible assessments based on a \$25,000.00 Budget for 36A water delivered.

District 130 elected IDWR to be their Water Master and IDWR sent Cindy Yenter to fill that position. Questions were asked about her salary, etc.

Various members ask about additional fees that might be assessed because of other state water laws and mandates such as Strawmans Proposal and upkeep of New Water Model. Discussion as to whether 36A is in compliance with laws regarding the total amount of our Budget.

Motion by Dan Yore to adjourn. Seconded Verl Bell. Carried.
Adjourned at 3 p.m.

Deloris D. Jones, Secretary

Approved 
Lynn Babington, Chairman
