RE: Status of Water District 45-F

To whom it may concern:

Don Gunderson, watermaster for Marsh Creek Water District 45-F, has requested that I write this letter regarding the status of the district as it may relate to qualifying for retail discounts from various vendors.

For your consideration in determining whether the district may qualify for any particular discount, please consider that the district was created pursuant to Title 42 Chapter 6 of the Idaho Code. Section 42-604 states in part:

Each water district created hereunder shall be considered an instrumentality of the State of Idaho for the purpose of performing the essential governmental function of distribution of water among appropriators under the laws of the State of Idaho.

Thank you for this consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Allen Merritt'.
