RE: Water District 45-K, Cottonwood Creek

Dear Clint;

We have received your notarized oath as watermaster for 2006. We have also received a call-on petition for watermaster services, but this not acceptable; it needs to be signed by a water user in your district, not by you. Our database does not list any Cottonwood Creek rights in your name, so I assume that you are not a water user in 45-K. A blank petition is enclosed for your use.

It is my understanding that all the existing water districts in Basin 45 will become sub districts in Water District 140 once it is activated. I am still handling these districts for now, but that will probably change in the future.

Regards,

James E. Stanton
