RE: Water District 45-B, Birch Creek

Dear Clint;

We have received your notarized oath as watermaster for 2006. Your certificate of appointment is enclosed.

It is my understanding that all the existing water districts in Basin 45 will become sub districts in Water District 140 once it is activated. I am still handling these districts for now, but that will probably change in the future.

Regards,

James E. Stanton
Sr. Water Resource Agent
