REMARKS

July 21, water was to be diverted to the main channel due to White Pine is a 1892 right and with the water conditions in May & June, extended out due to all the moisture that fell. May and June right in CFS ceased due to excessive rain during flooding and there was water everywhere.

5/19 Will have a State Water Resource Team in Albion tomorrow. scheduled will be Al Murrett, Cory Skinner and Terry Blum.

Going through year 2005 and Larry Mahoney still has not put in the measuring device he consented to back in 1999 to the Chairman Jim Gutbergs and watermaster Don Hutchinson - I as the watermaster, deducted 1/3 of of Estimated Call on water - giving the benefit of doubt to the user -
