Subject: Water Delivery in 43-D Almo Creek

Dear Mr. Ogren:

Pursuant to Tim Lukes response to you regarding your request for water rights lists for Almo Creek, I requested that Vikie Hancock prepare an excel list of the water rights in 43-D. Vikie is the SRBA agent who prepared the lion share of the recommendations for that area and is the one most familiar.

Her list is as follows:

ALMO CREEK
DECREEES.xls

The list provide you with water right numbers that can be further researched at:

If after you have a chance to review the list and have questions please feel free to contact this office. (208) 736-3033
