Dear Watermaster:

In accordance with Chapter 6, Section 42-614 IDAHO CODE, and IDWR regulations, the Watermaster of each district is required to submit an annual report to the Department. You should also forward a copy to the County Treasurer, if applicable. Please be certain the entire report is complete. In accordance with Chapter 6, Section 42-615 IDAHO CODE, and IDWR regulations, the Watermaster is also required to submit a Watermaster's Proposed Budget. The budget is to be made up from the deliveries for the past irrigation season or seasons. Please forward it to the Department of Water Resources.

We have enclosed sufficient forms for making out the Watermaster's Report and the Proposed Budget. If you need additional forms, please contact the office. Please also remember to include the Watermaster's Daily Record Books along with the report and proposed budget.

Sincerely,
