Dear Jim,

Here is my Oath of office - I didn't make a copy
so this is the only one.

Could you send me two extra log books this
year. I have to cram one book for May & June
some years.

Thanks
Roger

Roger – I just read the minutes from this year's water meeting (twice), and there is no mention of your term of service. At least for this year, we will need a signed call-on petition before you can be appointed. I sent a petition form to Mrs. Ward in March. The process has always worked this way for seasonal appointments, but I will look into using the minutes instead. 42-608 of the Idaho Code just mentions submitting something in writing, so your idea might work.

Jim, I spoke with one of the advisory board members and he said they expected the minutes where it was noted that the water master would be on as of April 1 of each year would serve as the call. Is there something more than that needed?

Roger – I did get your oath, but am waiting to issue your appointment until receiving the call-on petition as required by law. I will send out some books today. I personally think that seasonal appointments are stupid. They just cause a hassle every spring without accomplishing anything useful that I can see. Apparently some districts don't trust their water masters to submit honest bills for service (or something).

Jim, did you receive my oath I sent last Thursday? As of the 1st of April I am on although you have not received a call to work form. That should be sent in the near future. I don't have any daily use books as yet. In my note to you with the oath I asked for a couple extra books to accommodate the large number of users in May and June.

Thanks

RE: Water District 43-C, Cassia Creek

Dear Roger;

Based on a letter from Mrs. Ward confirming that your district has decided to begin your term of service on April 1 effective this year, we will no longer require a signed call-on petition before your watermaster appointment can be issued. She did not say when your term of service is to end, so it will end at the end of the standard irrigation season for your area. Your certificate of appointment is enclosed .

DEAR MR STANTON

THIS IS TO ADVISE YOU THAT AT THE WATER DISTRICT 43-C ANNUAL MEETING HELD IN 2008, IT WAS DECIDED BY THE PERMITTEES THAT FROM THAT TIME FORTH THE WATER MASTER'S TENURE WOULD BEGIN ON APRIL 1ST OF EACH YEAR. MR MUSSER AND MYSELF WERE BOTH OF THE UNDERSTANDING THAT WE WOULD NO LONGER NEED TO FILE A DOCUMENT TO CALL HIM TO DUTY. AS OF APRIL 1ST HE SHOULD BE COVERED BY THE WATER DISTRICT'S WORKMEN'S COMPENSATION AND BE ON THE PAYROLL.

IF MY THINKING IS INCORRECT, PLEASE LET ME KNOW. THANK YOU..

SINCERELY,

MAXEEN WARD
