Interim Director

RE: Fish Creek Irrigation District

Dear Lawrence;

Title 43 of the Idaho Code has about all the information you need on irrigation districts. Enclosed are a couple of sections relating to your questions of earlier today. The county commissioners certify the creation of an irrigation district; the code says nothing about getting registered with the Secretary of State or other government entity. Voting is by land ownership in the county, not by water rights. I'm sure your attorney knows all about this. Hope this helps.

Regards,

James E. Stanton
Sr. Water Resource Agent
