RE: Water Districts 43-C, Cassia Creek

Dear Roger;

We have received the minutes of this year's water meeting. Although the minutes do not show that you were again elected as watermaster of your district, they do not mention the election of anyone to replace you. So I will assume that you will continue in your duties for the 2010 irrigation season. An oath of office is enclosed for your notarized signature, and two Adopted Budget forms are enclosed for your use. As always, I am sending a petition for watermaster services to Mrs. Ward.

Regards,

James E. Stanton
Sr. Water Resource Agent
