RE: Water Districts 37-N, Upper Little Wood River

Dear Mr. Turner,

We have received the minutes of this year's water meeting showing that you have been elected as watermaster of your district for 2010. An oath of office is enclosed for your signature. Once we receive your notarized oath, a certificate of appointment will be issued.

Regards,

James E. Stanton
Sr. Water Resource Agent

RE: Water Districts 37-N, Upper Little Wood River

Dear Mrs. Peck;

We have received the minutes of this year's water meeting showing that you have again been elected as treasurer of your district. An oath of office is enclosed for your signature. Once we receive your notarized oath, a certificate of appointment will be issued.

Regards,

James E. Stanton
Sr. Water Resource Agent

Minutes of the regular meeting of Watermaster District #37N held February 1st, 2010, at the Carey City Hall at 1:00 p.m. Present were Milo Mecham, Jack Barton, Jim Peterson, Hal Bingham, Blaine Tingey, Greg Mann, Dave Parke, Dar Parke, Bob & Rita Turner, Bob Simpson and Kathi Peck.

Jack asked for nominations for a meeting chairman. Jim nominated Jack to be the chairman, Milo seconded the motion. Voting was unanimous.

Jack then asked for nominations for a meeting secretary. Jim nominated Kathi, Milo again seconded the motion and voting was unanimous. Kathi will also continue as the treasurer of the Water District #37N.

Bob Simpson then presented the watermaster budget for 2010. He noted that the budget has increased approximately \$10,000 over last year's because of the added benefit of health insurance. Milo made a motion to accept the budget as presented, Dave seconded.

Jack asked for nominations for watermaster. Jim nominated Bob Turner, Milo seconded, and the voting was unanimous. Bob Turner then took a few minutes to accept the job as watermaster and to thank the board of the Little Wood River Irrigation District for their confidence in him. Also, to Bob Simpson for his help and training of the watermaster duties over the last months, and in the future. Jack took a minute to acknowledge Bob Simpson's tireless work for the irrigation district and the watermaster district over the last 15 years.

Bob S. presented a detailed water report and weather forecast. He mentioned that there is currently 21,700 a/f water in the dam. Because of the dry outlook, we are okay on the space requirements. The forecast for the spring and summer looks hot and drier than normal.

The meeting was adjourned at 2:15 p.m.

Kathi Peck, Secretary
