**RE: Southwest Irrigation District - Mitigation**  
**Our File No.: 201**

Dear Tim:

Is it possible for the IDWR to identify those owners/users who will be expected to come to SWID/GC for mitigation?

I know this has been talked about for some time and we have different information as to those persons that may have that expectation or that the Department would require them to be involved.

If you could identify those it could be very helpful.

Very truly yours,
