Dear Mr. Westra,

RECEIVED

OCT 20 2008

WATER RESOURCES
WESTERN REGION

I am forwarding to you a letter that was sent to Greg Martinez, US Army Corp of Engineers, to inform him of a maintenance project of the Farmers Cooperative Irrigation Company.

This should be covered under the irrigation exemption and I do not expect to have any need for additional action.

I expect that this job will be accomplished very cleanly and quickly as they are a very experienced and knowledgeable crew.

Sincerely,

Ron Shurtleff
