Here is the email I was just visiting with you about. Thank you for any help you can give me. As I said the gentleman that was here from IRS yesterday was Chris Casteel. He said they show there is a 218 Agreement inplace but the Social Security Adminstration does not.

Have a great Thanksgiving, Terry

Terri,

I have searched our records and was not able to find a 218 Modification for Water District No. 67. The search capability by EIN is limited so most of the searching was done by name. Is there any other name the Water District uses? Is the District a member of the Public Employee Retirement System of Idaho (PERSI)? I will need to send a short questionnaire to you to start the 218 Modification process, a PERSI member questionnaire is different than the non-PERSI member questionnaire.

Thank you for your help.
