1 **Merritt:** Good evening, I am Allen Merritt, Regional Manager of the Department  
2 of Water Resources, southern region. I am here tonight serving as the  
3 presiding officer in this matter. This matter concerns the proposed  
4 revision of WD130; specifically the department proposes the expansion of  
5 WD130 to include surface water rights and sources within the Eastern  
6 Snake Plane Aquifer and the departments' administrative Basin 37.

7  
8 The provisions of Idaho Code § 42-604 require this hearing to be held  
9 prior to the revision of a water district by the director of the Department of  
10 Water Resources.

11  
12 The hearing is being conducted on January 26th, 2006, commencing at  
13 (pause) 8:20. We've uh..started at 7 but then conducting a pre-hearing  
14 conference and until this time. We are at the American Legion Hall Post  
15 31, located at 281 North State Street, also known as highway 30, in  
16 Hagerman, Idaho.

17  
18 The purpose of this hearing is to provide affected water right holders, or  
19 their representatives, an opportunity to make an oral statement on the  
20 record stating their position, views, or concerns on the proposed revision  
21 to Water District No. 130.

22  
23 For the purposes of this hearing, persons making statements do not need to  
24 be sworn, nor will they be subject to cross-examination. All persons  
25 signing up to speak will be heard before others are heard. All persons  
26 wishing to speak will be heard once before anyone speaks a second time.  
27 Notice of this hearing was mailed to each affected water user in the  
28 proposed district as required under the provisions of Idaho Code 42-604.  
29 In addition, notice was published in the Times News, a newspaper of  
30 general circulation within the area of the proposed district.

31  
32 If there are no further questions, we are now at the point where we may  
33 begin taking statements and comments from those persons who desire to  
34 be heard in this proceeding. At this point, I would ask Mr. Bell come  
35 forward and make a statement for the record. Then there are several  
36 microphones...

37  
38 **Luke:** Just take a seat over there

39  
40 **Merritt:** Before proceeding Mr. Bell, would you state your name and address and  
41 also please indicate if you are speaking for yourself only or representing  
42 others.

43  
44 **Mr. Bell:** Uh... Verl Bell, 853 E. 2830 S, Hagerman Idaho 83332 and I'm speaking  
45 for myself. I am the owner of two water rights in district 37 and from  
46 what I have heard here tonight, I would like to see the Director at least  
47 consider including us in Water district 36A, where we have other water  
48 right holders of similar interest. I am afraid that if we get involved with a  
49 larger water district such as 130, that means we are not going to have  
50 adequate representation and have little in common. Thank You.  
51

52 **Merritt:** Thank you sir.

53

54 **Merritt:** At this point I would ask Mr. Standals to please come forward and make a  
55 statement for the record. Before proceeding with your statement, please  
56 state your name and address and also please indicate if you are speaking  
57 for yourself only or representing others.

58

59 **Stan Standal:** My name is Stan Standal, I reside at 609 River Rd., Bliss Idaho. I am  
60 representing myself tonight. I am a water right holder with water rights in  
61 district 37, most of them on River Road. And I would like the director to  
62 reconsider his recommendation that our surface water rights in district 37  
63 be included in water district 36A instead of water district 130. Uh..for  
64 several reasons. One is the closer proximity from our water rights to water  
65 district 36A. We're within 4 miles or closer to 36A, and we feel that our  
66 representation would be closer aligned with water district 36A. Thank  
67 You.

68

69 **Merritt:** Thank You. At this point I would like to ask either Jim or Jenette to  
70 (inaudible) to come forward. I guess you know the drill.

71

72 **Jenette:** I do. My name is Jenette Brizendine and I live on 486 River Road, Bliss  
73 Id. 83314. I am representing the Wood Farms Partnership and we have  
74 several diversions in surface water along River Rd and I would also like to  
75 make the recommendation that the director consider putting us in 36A, as  
76 we feel that they share our interests, they share our proximity, and um..and  
77 we feel the water master is um..knows our area, although I agree that  
78 Cindy represents us very well now and I've been please with what she has  
79 done and working with her. I just feel like that we're closer and that we  
80 would have more in common with 36A than putting us with 130. Thank  
81 you for your time.

82

83 **Merritt:** Thank you. Jim would you like to make a statement?

84

85 **Jim:** Uh, I'm done (inaudible)a word in edgewise.

86

87 Laughter.....

88

89 **Merritt:** We've got that on the record.

90

91 Laughter.....

92

93 **Merritt:** But at this point, Kim Wood, would you like to come forward and make a  
94 statement?

95

96 **Kim Wood:** I think it has been well said with the rest of them, I am not going to say  
97 anything different. I feel the same way. I uh.. maybe I... you know, them  
98 bein with the guys we've worked with have been great. I have no problem  
99 with them as far as what they've done..Couldn't ask for a better deal there  
100 but you know, I think we'd be better in 36A (inaudible)

101

102 **Merritt:** OK, Thank You. Uh...That's the people I have down on the list. Is  
103 anyone changed their mind or would like to add a statement to the record  
104 before we close it? Well, if there's no other persons who desire to make a  
105 statement then, this will concludes the oral record in this proceeding.  
106 Thank you for all participating tonight. The hearing record itself will  
107 remain open for ten days through Feb 6th to allow time for submittal of  
108 additional written comments as provided in the notice of this proceeding  
109 and as required by Idaho Code 42-604. I will issue a preliminary order  
110 following the close of the comment period. A copy of the preliminary  
111 order will be sent by regular mail to all holders of water rights affected by  
112 the Order. The preliminary order can and will become a final order  
113 without further action of the department unless any parties petition for  
114 reconsideration within 14 days after service of the preliminary order. Any  
115 party may file a petition for reconsideration with the department within 14  
116 days of the service of the preliminary order. Any parties feeling aggrieved  
117 by the final order of the director may seek judicial review before district  
118 court within 28 days of an order becoming final, or within 28 days of the  
119 action taken on a petition for reconsideration. Again, Thank you all and  
120 the record is closed for tonight.
