MINUTES OF THE REGULAR MEETING OF THE WATERUSERS OF THE BLACKFOOT RIVER WATER DISTRICT #27 HELD AT THE BINGHAM COUNTY COURTHOUSE BLACKFOOT, IDAHO JANUARY 13, 2020

Advisory committee chairman Bob Reid called the annual meeting of Water District 27 to order at 1:31pm on January 13, 2020.

13 people were in attendance.

Marvin Yancey nominated Bob Reid as meeting Chairman and Shelly Bradford as meeting Secretary. Seconded by David Bollinger.

The motions passed by those in attendance.

Minutes of the Annual meeting held January 14th 2019 were read. Tom Blotter moved to accept the minutes as read. Merlin Yancey Second. Motion passed.

Craig Chandler gave the Watermaster report which involved a Power Point presentation for a review of the 2019 season in comparison to past years. He presented a monthly precipitation graph for SE Idaho showing various years. Overall there was more than average precipitation in 2019. Temperatures were near average at the beginning of the season moving into April which started warming up and increasing the snow melt. July, August, and September were above normal in temperature with October being colder than average.

The Blackfoot Reservoir was a little over 77% full at the current date. June is about the time the 100% mark was hit. This pattern has been the same as the past 2 years.

Primary Volume was 34,291 AF. The last 3 years have been good water years so the Primary Volume has been low. Blackfoot Management Plan is set at 45,000 AF. This is the 10th year under the Primary Volume Limit.

Craig continued his presentation describing the credit/debit used in the accounting. Basin 27 has a credit toward the primary volume of 40,000 AF. A maximum of 12,000 AF can be used in one year.

Current snow pack is average.

Bob Reid opened the floor for nominations for the advisory board. Lane Hamilton moved to retain the current advisory board. Second by Tom Blotter. Motion passed. 2020 Advisory Board is Chairman Bob Reid, Marvin Yancey, Mark Pratt, Trish Arave, and David Bollinger with the BIA.

Shelly Bradford reviewed the 2019 year-end Balance Sheet and 2020 budget. Total Equity is \$41,188.05 for 2019 year end. Shelly explained the changes on the 2020 budget and adding the

Rocky Ford USGS station. Marvin Yancey motion to approve the financial report. Seconded by Merlin Yancey. Motion passed.

Craig read through the Resolutions and discussed any changes. Most changes were dates. Craig Chandler would replace James Cefalo as the new Watermaster. Craig explained the total amount assessed would not change from the prior with the addition of Rocky Ford budget item due to the decrease of website, equipment, and Water District 1 contract. He explained the location of the Rocky Ford station (right at the bridge by the dam). Craig continued on to propose a new Resolution. #7 which will grant authority to the chairman to sign a Memorandum of Understanding (MOU) with IDWR and WD1, also a contract with the Tribe. Lane Hamilton made a motion to accept Resolution #7. Second by Tom Blotter. Motion passed. David Bollinger moved to approve all the Resolutions presented. Lane Hamilton seconded. Motion passed.

Old Business

Craig gave an update on the Blackfoot Management Plan. It is close to being ready. There is a technical team working thru the accounting procedures of the management plan. It will calculate how much natural flow is in the system. Tom Blotter requested a copy of the draft.

New Business

No new business was presented.

Tom Blotter moved to adjourn. Marvin Yancey seconded. Motion passed. Meeting was adjourned at 3:46 pm

- 1. BE IT RESOLVED that the annual Water District 27 meeting shall hereafter, or until changed by further resolution of the district, be held on the <u>fourth second</u> Monday of January of each year unless the director and advisory members should find it necessary to change the meeting date. The next annual meeting is to be held January <u>24th</u>, 2022.
- 2. BE IT RESOLVED, that it is the watermaster's responsibility to apply the best available methods and technology to assure accurate deliveries of natural flow and stored water, consistent with regulatory procedures, the Blackfoot River Management Plan and the availability of the water supply; that he maintain accurate records of water delivered to each water user.

That, the watermaster shall accurately allocate the expenses of delivering water of the district to each ditch, canal company, irrigation district, or other water user as provided by law; and that he shall prepare the annual watermaster's report required by <u>Idaho Code</u> 42-606 and a proposed budget for the succeeding year as required by <u>Idaho Code</u> 42-615.

The Watermaster will adjust the headgates of all natural flow rights. The Fort Hall Project Manager or his designee will adjust the central gates of the Blackfoot Reservoir, the equalizing reservoir, the Little Indian Canal, and the North and Main Canal headgates.
