 Budget was adopted with no changes from last year. Watermaster
 compensation was approved same as last year (\$55@day + 45¢@mile,
 Chad Nettleton was reelected watermaster. Officers were reelected:
 Craig, Chairman, and Paul, Sec. Treas. Discussion involved spec
 depths and water content in drainage above Silver City + in our
 watershed + probable need for controlled flow to Nahas Res. befo
 water season. Mike spoke about the new sealer installed above
 the reservoir and leakage around it that will probably seal
 itself after weir is settled in. Leaks will be compensated for
 during this season. Dan reported good results from this type
 of weir at similar sites around the state, that it is very
 accurate. Mike reported no change of ownership on Murphy Flat
 as yet. Meeting was adjourned at 2:35 PM.
