### State Water District No 65

Payette River Basin, State of Idaho 102 North Main Street Payette. Idaho 83661

Jim Standley, Chairman Doyle Fackler, Vice Chairman Ron Mio, Secretary Ron Shurtleff, Watermaster Phone: 208 642-4465 Fax: 208-642-1042 Email:waterdist65@srvinet.com

# NOTICE OF ADVISORY BOARD MEETING August 8, 2011 8:00 P.M.

AUG 02 2011

WATER RESOURCES WESTERN REGION

August 1, 2011

Mr. John Westra 2735 Airport Road Boise, ID 83705

Dear Mr. Westra,

The Advisory Board of State Water District No. 65 will meet on **Monday August 8<sup>th</sup>**, at **8:00 P.M.** in the **Payette River Irrigation Office** located at 102 North Main Street in Payette Idaho.

The following tentative agenda items will be considered during the meeting.

- Review to Approve July 11, 2011 Minutes
- Review to Approve Financial Statement
- Natural Flow, Reservoir Conditions and Storage Usage
- Rental Pool Update
- Cost Share Projects Update
- Rental Pool Rules Discussion
- Idaho Water Education Foundation, Contribution Request
- Consider Waving the September Meeting
- Any other business to be brought before the board

### Note! Summer Meeting Time; 8:00PM

I look forward to seeing you at the meeting on **August 8, 2011**, in the Payette River Irrigation Office.

Sincerely,

Ron Shurtleff

# Payette River Basin, State of Idaho Water District No. 65

Chairman: Jim Standley Vice Chairman: Doyle Fackler

Secretary: Ron Mio

102 North Main Street Payette, Idaho 83661 Phone: 208-624-4465 Fax: 208-642-1042 E-Mail: waterdist 65@srvinet.com

#### Regular Board Meeting

Date: Time:

July 11, 2011 8:00 p.m.

Location:

Payette River Irrigation Office, 102 N. Main, Payette, Idaho

Attending:

Dennis Lammey, Jim Standley, Marsha Herr, Fred Coburn, Jim Hutchins, Ron Mio, Moodey Gross, Roy Maxwell, Darlene Maxwell, Watermaster, Ron Shurtleff and Recording Secretary, Jamie White

Minutes:

The minutes of the June 13, 2011, meeting had been mailed to the board members with their meeting notice. Chairman Standley asked the members to review the minutes for their approval. Dennis Lammey moved and Jim Hutchins seconded to approve the minutes of June 13, 2011 meeting as presented. The motion carried.

Financials:

Chairman Standley asked Ron Shurtleff to review the financial statement for the district. Ron reported a checking account balance of \$1,919.69 and a balance in the State Treasury Fund of \$211,312.13 resulting in a checking and savings total of \$213,231.82. Total accounts receivable equaled \$5,896.73. The fixed assets remain at \$68,317.17 producing a total assets balance of \$287,445.72. Ron then reviewed the profit and loss statement and stated that as of July 11, 2011, the District is showing a negative net income in the amount of \$-54,517.36. Ron also reviewed and stated the budget comparison was on track for the year. Chairman Standley asked if there were any other questions or concerns. **Dennis Lammey moved and Ron Mio seconded to approve the Financial Statement as presented. The motion carried.** 

#### Watermaster

Report:

Ron reported he did not prepare a slideshow for the meeting but had included the Snotel and Streamflow data in the handout packets. Provided was the Bureau of Reclamation's teacup chart for the storage reservoirs in the Boise and Payette River basins. The Boise system is at 96% of capacity and the Payette River system is at 98% of capacity. Total space available is 13,105 AF; total storage capacity is 800,452 AF and natural flow is at 6,883 CFS. Ron provided Snotel Charts for the nine sites and stated all snow but Cozy Cove lasted longer than last year due to such a wet and mild spring. Ron stated there are predictions that place the day of allocation between July 28<sup>th</sup> and August 2<sup>nd</sup>, which is nearly three weeks behind normal timing.

Cost Share Programs

2010 & 11: Ron reported that no changes or additional payments have been made to the 2010 or 2011

Cost Share Projects since last month but he did provide a report showing the paid and

pending payments waiting to complete the two budget year's projects. Marcia Herr brought up a question regarding the Noble Ditch diversion rebuild and upgrade project; where it appears a trash problem may have been created for the Rosebury Ditch. Ron Mio, board member of Noble Ditch stated there is a facility tour scheduled later in the week and he will bring this topic to the attention of the other board members as well as the Manager of the F & N Maintenance Company.

## Idaho Power Winter Rentals:

Ron stated he has spoken to the Idaho Power Company about the possibility of to renting water that has been submitted from some irrigation entities for the rental pool, but that is in excess of what is needed to fulfill the Flow Augmentation needs. Ron reported that Idaho Power will keep this in mind and if it looks like it might benefit the power company, then they might be willing to rent the extra stored water for winter generation.

#### USBR ArcGIS Reimbursement;

Ron included in the packets a letter received from the United States Department of the Interior regarding the reimbursement of costs associated with the use of Geographic Information Systems (GIS) Software for specific activities involved with Bureau of Reclamation Projects. It stated that due to declining budgets and increasing software costs, Reclamation's PN Region has determined that it can no longer cover the costs for partners. Reclamation has determined an annual cost rate of \$950.00 per seat, which includes costs associated with licensing fees and minimal administrative costs for providing ArcGIS software installation assistance. There are currently four active licenses under WD#65's jurisdiction in use at this time; one for the Water District #65 and two for the Payette River Irrigation Company and one devoted to the drainage districts in the basin. Ron stated that his position has been designated as the responsible party to gather the funds from the extending entities and then to forward the fees onward to the Bureau of Reclamation, this creating the need to have in place a Memorandum of Understanding between the Bureau of Reclamation and the Water District No. 65.

#### Lardo Dam Update:

Ron provided a couple of pictures of the Lardo Dam on the Big Payette Lake. He explained the project that is planned by the Lake Reservoir Company to install Overtopping Obermeyer Gates in the six bays that are currently equipped with outdated stop log control. Ron explained the company was successful in receiving a grant through the WaterSmart program of the Bureau of Reclamation. The grant allows two years to complete the project, however the company is trying to put it together and complete the project this fall.

## Coalition for Idaho Water:

Included in the packets was a request from the Coalition for Idaho Water, Inc. asking for a contribution to help sustain the legal efforts to protect dams, reservoirs and water supplies from threats posed by the Endangered Species Act. The environmental groups and other opponents continue to press for the removal of dams and increased river flows and continue to pursue lawsuits in the courtroom, seeking to curb water storage and supply activities. Much discussion ensued. **Dennis Lammey moved by to contribute** 

\$3000 to the Coalition for Idaho Water, Inc. to help sustain legal efforts to protect Idaho's water dams and reservoirs. No second was received and the motion died.

More discussion ensued regarding the dollar amount to be contributed. Ron Mio moved by to contribute \$2000 to the Coalition for Idaho Water, Inc. to help sustain legal efforts to protect Idaho's water dams and reservoirs. This motion also died for lack of a second.

More discussion ensued regarding the dollar amount to be contributed. Darlene Maxwell moved and Marcia Herr seconded to contribute \$2500 to the Coalition for Idaho Water, Inc. to help sustain legal efforts to protect Idaho's water dams and reservoirs. No affirmative votes were received and this motion failed.

Discussion once again continued regarding the dollar amount to be contributed. Ron Mio moved to contribute \$3000 to the Coalition for Idaho Water, Inc. to help sustain legal efforts to protect Idaho's water dams and reservoirs. Marcia Herr seconded the motion and the motion carried.

## Rental Pool Rule Update:

Ron reported that in 2013 the rate for out-of-basin water will increase from its current level of \$14.00 per acre-foot to \$17.00. This will require amendments to the Local Rental Pool Rules. This group will be required to act as the Rental Pool Committee to make the needed amendments and Ron would like to plant an idea in preparation for the increase in revenue. Ron reminded the group of the many times when lateral ditches have a need to upgrade their facilities but they seldom proceed because of a lack of funding or programs that fit their need. Ron said he would like this group to consider funding a program with \$0.50 per acre-foot to build an infrastructure fund within the Water District No. 65 to address lateral ditch upgrade projects. Ron said he is not expecting any decision at this meeting but he would like the members to consider directing a small portion of the new revenue toward programs that can improve efficiency on the lateral ditch scale.

#### Adjournment:

Chairman Jim Standley asked if there were any additional business items that should be brought before the board, hearing none he declared the meeting adjourned. Respectfully submitted

Ron Shurtleff, Watermaster	Jamie White, Recording Secretary
