Thanks Steve. I think Christina can also invite that number to a meeting and get it on the calendar that way. I'll forward an email string with 74Q that I just responded to – didn't include you sorry. I think they have it together now if they will just get the meeting info to IF.

Sorry for not replying but I was out of the office yesterday afternoon. Yes, you are both correct that we do have to list a designated meeting location on the notice and it sounds like they are working on specifying that.

For the noticethe state office compliance bureau teleconference number is
1-877-820-7829
Participant passcode is **565020**

I will update the phone number calendar as the number being used for 74Q on March 1 at 3:00-4:00 PM. Let me know if anything changes.

I won't be in office tomorrow, as we have a hearing in Arco that I will likely be at all day. If she's going to have it on the first, please have her leave me a message with the meeting info... if she mails it in, it won't arrive until it's too late to send the 21 day timeframe. If I have any follow up questions I'll go ahead and give her a call when I'm setting up the information.

Also, even with a teleconference, I believe that I do need a 'designated meeting location' for the notice. The notice will
