

Minutes water meeting district 29A Pocatello Creek

Date May 3 2021

Vote to keep presidency as previously constituted

Robert Zauch Water Master

Greg Zauch assistant

Todd Anderson Secretary

Bob Hurst President

Minutes water district will remain a volunteer organization with no budget collected. There were no complaints in 2020. There is very little water flow this spring we do not anticipate water available through the summer months do to lack of snow fall in the drainage. The area is seeing an increase in building and new wells being drilled the water table seems to be dropping. There was no new business to be discussed and the meeting was adjourned.

Secretary
Todd Anderson
