**Water District 100**  
**2020 Watermaster Report**

Measurements were conducted by Water District 100 staff in accordance with the Water District 100 Resolutions and IDWR guidelines. Specific measurement information for the diversions within the district can be found in IDWR's WMIS database. In addition to measurement activities, water district staff reviewed aerial photos and diversion records to identify any enforcement issues within the district and contacted water users as necessary to address any apparent violations. Financial report, minutes, resolutions and assessment records are summarized and attached in separate documents.
