Idaho Water District 11F Minutes of Annual Meeting February 12, 2014

Department of Water Resources
Eastern Region

The meeting started by the chairman of the advisory board Devin Boehme. The minutes from the last meeting were read by the district secretary. The motion was made for the minutes to be accepted. The motion was seconded. The members passed the minutes.

The visitors from the Idaho water office from Idaho Falls gave an assessment of the snow to water measurement. The snow/water of the Bear River basin was at 101%. They also talked about water adjudication. They stated it may be helpful to the water owners to have this done. It would update records, ownership changes, diversions and waterways. The adjudication has to go through the legislature. The water owners need to be talking to their State Senator and Representatives about this issue.

The water master started by talking about the past year. There was a lack of water in the last portion of the year. Head gates had to be shut down early. Therefore there is a lot of credits that are being distributed through the water owners. The new base rate will be \$12.00/share and usage will be \$20.00/share.

The water master handed out a paper with reminders about how the and when the water is to be delivered.

- 1- 2014 fees must be paid.
- 2- Measuring device(s) must be working properly.
 - a. Water right holder or canal company is responsible to maintain measuring devices.
 - b. Water will NOT be delivered until measurement device is working properly.
- 3- Call the water master (Joel at 208-847-2067)
 - a. So he can turn the water into the ditch/canal/etc. The first time.
 - b. Water Master must have access to check water.

One shareholder argued the fact that his water measuring device was not working and the water master said it is the shareholders problem. No water until it is fixed! The shareholder said it is wrong to allow a crop to die because of the device not working. The advice from other shareholder was to fix the problem now and not wait until summer. The question was asked to the state water guys if the devices needed to be certified by the state. They replied they need to be certified.

3B is for Makoff and Mr. Hedges about the problem they had with the water up in Soren canyon last fall. The water master needs to have access to the water metering devices.

A paper was passed out with all the share for the district. Each holder was listed with their shares. The credits were allocated out to those holders that did not receive the water. The new billable amount was listed also. The Budget for the district is as follows the budgeted expenses are \$3,870.00 for the year and income of \$4,543.58.

Mike brought up the fact that the #127 share is not allocated right. He researched the share and it should belong in the Taylor Canal. It is water share to the Raymond town site.

The motion was made to accept the water share allocations and the 2014 budget. It was seconded and passed. The motion was made and seconded for the reminder sheet and it passed.

Nominations for water master was opened with the motion to retain Joel Teuscher as water master for 2014. The motion was seconded and passed. The secretary position was opened and the motion made to retain James Teuscher as secretary and it was seconded and passed. The motion was made to keep the board members that were up for election in 2014. It was seconded and passed.

The motion was made to close the meeting and it was seconded and passed. The meeting closed.
