Trout Creek Middle Fork Water District 13Q

Williams Ward Church

Minutes of the March 13, 2014 meeting

RECEIVED

MAR 19 2014

Department of Water Resources
Eastern Region

Sign-in sheet and minutes of the 2013 meeting were handed out as members entered.

In attendance: Lyndon Evans, Alan Hubbard, Roven Gunnell, Tod Jensen, Paul Shupe, Jake Shupe, Dwight Aplanalp, Leon Anderson, Dave Barthlome, Lynn Rasmussen, Glenna Rasmussen, Mick Tingey, Danny Rasmussen, Arlen Meachem, Dixie Hunsaker, Brooks Barthlome, Ann Hamm and Ronald Hamm.

President Ronald Hamm called the meeting to order at 7:05. Motion was made by P. Shupe to accept the minutes and seconded by M. Tingey. Approved by a show of hands.

1st order of business: nomination and election of president and secretary. The floor was opened for nomination/volunteer of president. A motion was made and seconded to retain R. Hamm as president. A show of hands approved. A motion was made and seconded to retain A. Hamm as secretary; however, she declined the nomination. The floor was opened for volunteers/nominations. Darlene Gunnell was nominated in her absence, and Roven Gunnell was left to check with her at a later time after the meeting. At this time, the secretary is not set. Ann Hamm will complete the paper work through the beginning of irrigation season.

2nd order of business: The advisory committee was left as is with no new members. The current committee is Ronald Hamm, Tod Jensen, Robert Harris and Lyndon Evans will be retained.

3rd order of business: compensation of Water Master and secretary. Lynn Rasmussen told how difficult it is to explain to new owners how the transfers of water rights take place/or not, and the time it takes. There was open discussion on fees and Danny Rasmussen motioned to leave the fees as set. Michael Tingey seconded the motion and a show of hands accepted the motion to approve the budget.

4th order of business: new business. There was concern about the delivery of water into the north irrigation pipe from members on that line. When the Sorensen canal had water, some members noted that the lower (north) canal was low on water or the box was empty. This brought up discussion on the need for a water weir at the head of the diversion into the lower canal, and a weir on the Sorensen. Lynn said that there was a weir on the Sorensen.

Heated discussion ensued on the inability of L. Evans to get pressure on his section of the irrigation line when those above and below him had water pressure. It was explained that clogged pipe may be the cause. It was suggested that Woolsey's lines be turned off temporarily to see if that would give more volume to Evans. If not, Evans' line has restrictions/leaks and will need to be cleared, repaired or replaced.

Roven Gunnell motioned to put a weir in the canal to the north pipe line. L. Evans seconded the motion. Roven Gunnell accepted mandate to get the weir put in. The cost of the weir will be divided among the members using the pipeline in proportion to the volume of their water right.

5th order of business: nomination and election of Water Master.

The floor was opened for nomination of Water Master. Tod Jensen nominated Lynn Rasmussen and it was seconded by Michael Tingey. Dwight Aplanalp was nominated and the nomination seconded by Roven Gunnell and Leon Anderson, respectively. The vote was taken by a show of hands. Lynn was elected by a narrow margin.

The President asked if there was any old business. There were none. He asked for a motion to adjourn. A motion was made and seconded. The meeting was adjourned at 8:30.
