900. N. SKYLINE DRIVE
IDAHO FALLS, ID 83402

I was not able to get 2011 Water Masters Report or the 2012 Adopted Budget submitted because I lost all the files on my computer when the hard drive failed. I had to install a new hard drive and then I had to start all my information and do all new spread sheets and get all the water rights put together for eash user. It was a large undertaking because I had to enter all data from scratch.. Also I had to enter updated water rights that we sent from Boise that had not been on our water books before. They are now up to date and I will be able to do the reports sooner.

Thank you.

Maria Dowton
