Attn: Dennis Dunn

We have a new watermaster. Do you have any training for them?

Also on IDWR website under Appendix C Examples of Watermasters reports, budget and forms
On page C1 it says that your dept. has recently developed computer software programs which
will allow district to generate proposed budgets and annual reports. The dept. can provide these
programs and training at no cost to the dist. Could you tell me more about this, could we get
this?

Thank you,

Judy

Secretary
