Trout Creek Middle Fork Water District 13Q
Minutes of the March 17th, 2016 meeting
Williams Ward Church

Attendance sign-in sheet and minutes of the 2015 meeting were handed out as members arrived.

In attendance: Michael Tingey, Paul Shupe, Michael Holliday, Gary Overlin, Kent Clegg, Danny Rasmussen, Glenna Rasmussen, Lynn Rasmussen, Stetson Jensen, Tracy Woolsey, Barbara Hansen, Todd Kirby, Ralph Anderson, Ross Harris, Paul Warnes, Charleena Anderson, Jim Lewis, Darlene Gunnell, Dee Farnsworth, Robert Harris, Ronald Hamm, Dixie Hunsaker.

The meeting was called to order by Chairman Ron Hamm at 1:00. Motion was made and seconded to accept the 2015 minutes. Approved by a show of hands.

1st order of business: nomination and election of Chairman and Secretary. The floor was opened for nominations or volunteers for the offices. A motion was made and seconded to retain R. Hamm as Chairman. Approved by a show of hands. A motion was made and seconded to retain D. Gunnell as Secretary. Approved by a show of hands.

2nd order of business: selection of Advisory Committee. The retention of prior committee was agreed and passed by a verbal aye. They are Tod Jensen, Todd Kirby, Robert Harris, and Ron Hamm.

3rd order of business: compensation for Water Master and Secretary. The floor was opened for discussion on the amount of \$690.02 to Water Master and \$100 to Secretary. M. Tingey motioned that the compensation remain as is. R. Harris seconded the motion and passed by show of hands. The question was asked if all assessments had been paid. Glenna R. said the check received from the county for Lynn was a little under the \$690 amount. D. Gunnell mentioned she would follow-up on payments to the county for the 2016 water year. Collection of fees was agreed to be paid to the county as before rather than to the secretary.

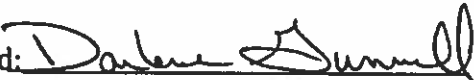

4th order of business: nomination and election of Water Master. Robert Harris nominated Lynn Rasmussen, seconded by Ross Harris. Reagan Phillips was nominated by D. Gunnell, seconded by Ralph Anderson. The floor was opened for discussions. Mike Holliday from the State Water Board explained our options for voting: 1) majority 2) assessment value. If one person wants to vote by assessment value, the per Idaho code that is how the vote is to

be determined. Mike read from the handbook for those unfamiliar with that code. D. Rasmussen requested that nomination be done by assessment. It was discussed that there is no vote by proxy. A lengthy discussion on priority water rights and weirs followed, with the main point being that if the senior water right user/s doesn't use his water or when he shuts off for harvest that water goes "back in the canal" to the next priority user. Senior water right holders can't "pick and choose" who gets the water next-it goes to the next priority date. Chairman R. Hamm asked about a Lateral Ditch Association to distribute water on the Prescott line. M. Holliday said the association can't trump the state law of senior water rights. A show of hands was taken for Water Master with Lynn Rasmussen receiving all but 4 votes. With such a majority, it was agreed that voting by assessment values wasn't needed. L. Rasmussen will remain Water Master.

Ron H. presented Lynn R. with the papers of the Lateral Ditch Association which was formed for the Prescott line.

Further items discussed were that a new weir was placed on the Sorensen ditch and a "water rights" mark was placed on it. The committee and Chairman were encouraged to look at it before the water was turned out in the canal. Chairman reminded the Water Master that documentation of water levels was needed.

A motion was made and seconded for the meeting to adjourn. Meeting was adjourned at 2:20.

Signed: 
Darlene Gunnell, Secretary

Approved: 
Ronald Hamm, Chairman
