Annual meeting minutes

RECEIVED

Department of Water Resources
Eastern Region

Meeting held Tuesday, March 5, 2019 on site at Old Lemhi Road and Pratt Creek Bridge.

Attending were Phil Moulton, Tim Luke, and Cindy Yentner.

Items discussed include Sandy Creek water master and if he should oversee the new Bruce Mulkey pumping station. Whether of not to combine Pratt Creek and Sandy Creek into one water district. My suggestion was to leave as is.

We have no budget for this district, no paid employees and no workers comp policy.

Meeting was adjourned until next year.

Phil Moulton, Water master
