Jeff:

The guy who wants to discuss Grays Creek Ditch appointment is Jerry Yaeger, Indian Valley, 1-208-257-3713. He is a director of Little Weiser Irrigation District that adds storage water to live flow rights. Part of his story is some time ago he petitioned district court to appoint a ditch manager under Chapter 9 for his shared ditch (just few users), said it helped. That might be best bet in long run for Grays Ditch.

Let me know if you need more info before calling him. Thanks for taking care of that.
