Dear Sir or Madam,

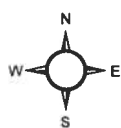

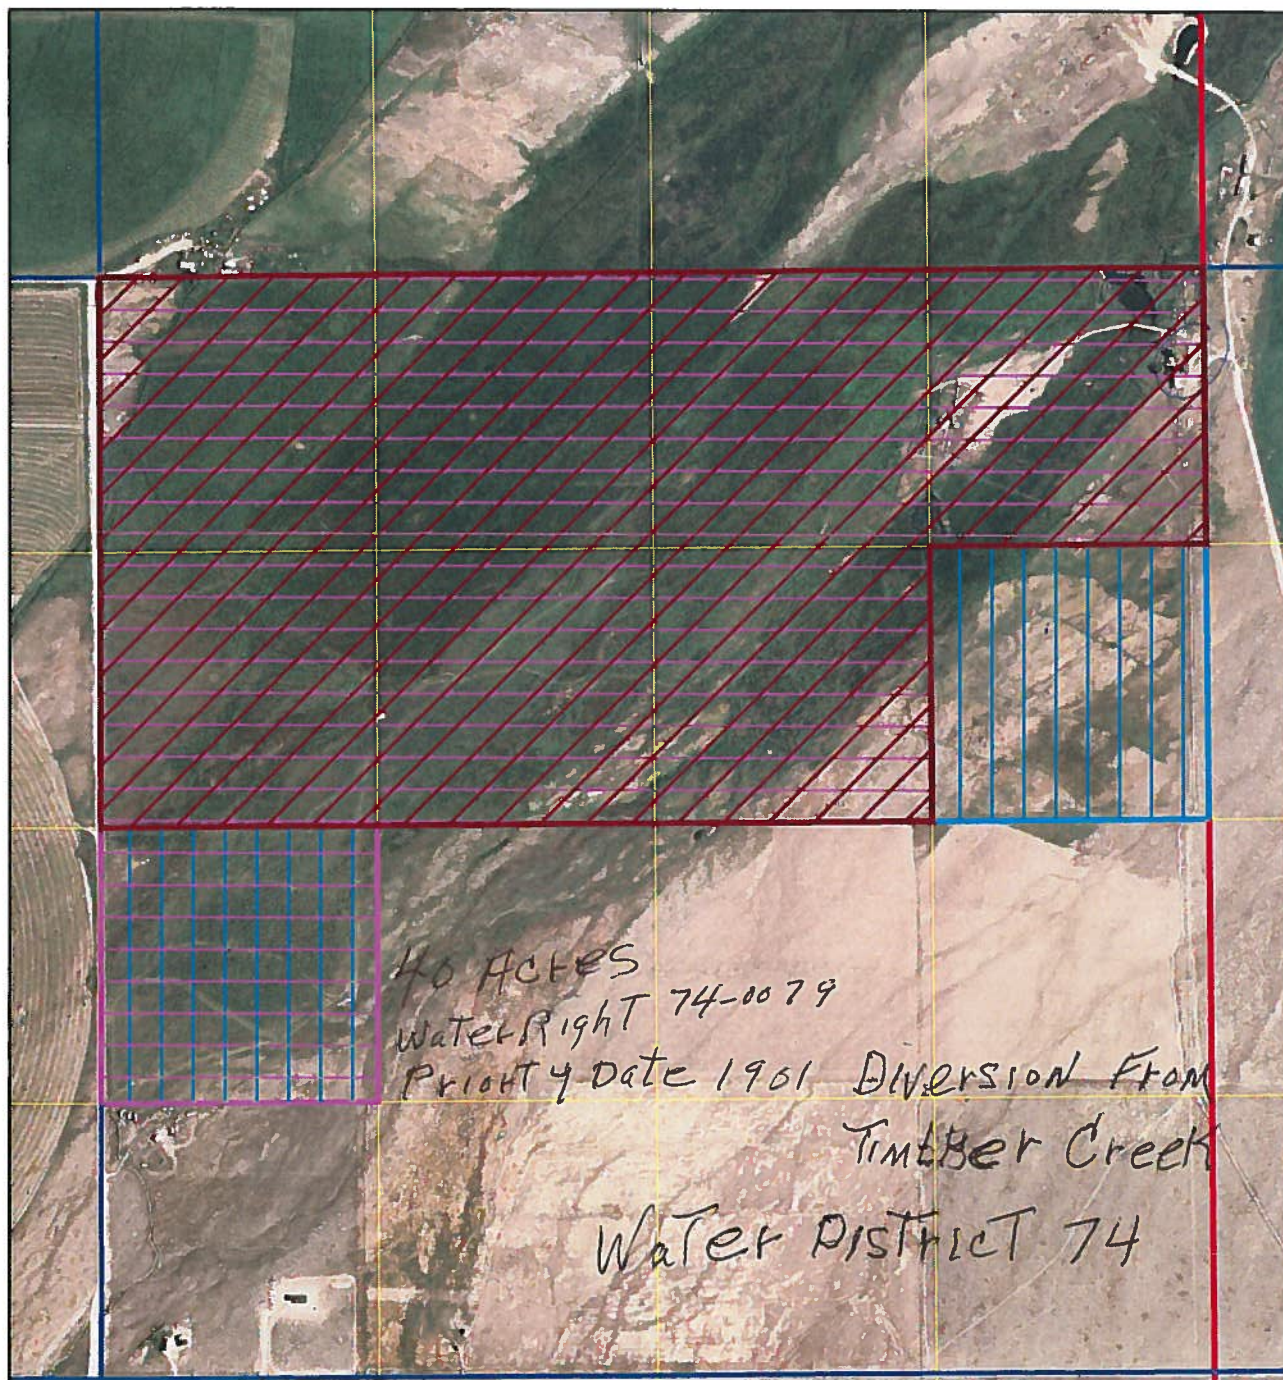

Enclosed is a map of my land.
I have described the 40 acres that has
a water right with a priority date of 1901.

I haven't used this right in previous
years but I now intend to have the
watermaster fill this right as of April 1, 2013.

This is to ask you to inform the
watermaster to fill this right.

Sincerely,

Allan Purcell
