DEPARTMENT OF
WATER RESOURCES

Call to Order: Meeting was called to order at 2:15pm, January 12, 2015, by Alan Crane, President.

Water Users in Attendance: Robert Hall, Mary Hall, Jim Chambers, Rocky Trail, Rich Wootan, Alan Crane, John McCallum, Teresa McCallum, Rob Whitney - IDWR.

Reading of Minutes:

Teresa presented the January and February minutes, these were approved as submitted by unanimous consent.

Treasurer's Report:

Teresa reported that there was \$1845.87 collected in 2014, there are two users unpaid. Income of interest of \$1.10. Expenses for 2014 were insurance \$161.00, Postage of \$44.57, Watermaster salaries paid in 2014 were. \$1350.00 for 2013 and \$1050.00 for 2014.

Water Report: There were 14 callouts in 2014. Rocky stated that he had a concern about one delivery on April 7, that Dick Anderson received water above his priority date. Rich said that it happened early in the season and understands better now how to make deliveries.

Old Business:

Tabled item from the February 17th special meeting, regarding Delivery priority and beneficial use. Teresa did request clarification. Water Resources responded that in fact the delivery priority is "First in time is First in line". Water Resources response will be attached to minute. Motion was made to defeat the tabled By-Law change, By John McCallum Second by Rocky Trail. Motion passed unanimously

Rocky Trail asked Water Resources if the Diversions being, lockable and measurable by March 1st was going to be enforced this year. Rob Whitney said that is the intention, Orders were not given to be ignored. Rob also stated the that IDWR is expecting compliance. Rob also asked for a status update on devices. Rich Wootan said he has had a few requests for review. Additional discussion was held regarding Paul Batruel's diversion and the fact that it removes the creek from the original channel and should be changed back. Also that it still not accurately measurable, and unable to deliver in proper priority. Rob Whitney said he would again call Paul.

Discussions were had regarding those diversions that draw straight from the Snake River. Rob Whitney indicated that the Watermaster from the River would need to coordinate with Rich to insure that there is in fact water available in Little Canyon Creek to be drawn by Snake River pumps that are metered. Also it was asked if it would be possible to measure a weir in bulk for those users pumping out of the River. Bob Hall was wanting to find a place up stream to measure due to meandering of the creek,
