Re: Water District 95-C (Twin Lakes)

Gentlemen:

The above referenced Water District held its formation meeting and set the district budget as indicated in the attached copy of the district minutes. In an effort to aid the district in getting the budget established I have enclosed a list of water right holders and effected parcel numbers to which water rights are appertenant. Each party listed and each owner of the listed parcel numbers are to be assessed as noted.

I can be of any further assistance please feel free to contact me at this office.

Sincerely,

Tom D. King
Sr. Water Resource Agent

Approximately forty people attended a meeting of Water District number 95-C which was convened by Robert Haynes, Regional Manager of the Idaho State Department of Water Resources, at 7 p.m. on Monday March 5, 1990 at Twinlow Church Camp, Twin Lakes, Idaho.

Mildred Allen was elected chairman and Pat Lacroix was elected secretary. Michael Coy moved that we budget fifteen dollars per day for services of a water master not to exceed fifteen hundred dollars per year for expenses of the District. The motion was seconded and passed. Two years namely, three thousand dollars will be collected the first year as it is now too late to get the first year into the County collection system.

Orland Pupo moved that the money be raised by assessing each water right (not holder) equally the motion was seconded and passed.

Mary McMillion moved that Orland Pupo be hired as Water Master and he was unanimously elected. Three alternates were named to function in Orland's absence: Walt Metzger, Rene Lacroix and Tony Moors. Orland will arrange with one of these men to substitute, and then he will notify the District of his temporary inability to serve.

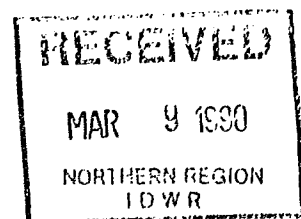

Gordon Sylte moved that we designate three Idaho registered voters to represent the Water District at a meeting of lake owners, County Commissioners, U S Bureau of Reclamation and Idaho State Department of Water Resources representatives. The meeting is to be held in Coeur d'Alene the following day to discuss a flood control district. The motion was seconded and carried. Those elected were: Mary McMillion, Denton Sahlie and Billie Mountain.

The meeting adjourned at 8:15.
