\*\*G 5 Land Co. has 6 water rights diverted through two wells. The total AFA allotted for the six rights is 2,354 AF. For the information recorded on the table above through 2017, G5 East refers to water diverted under 29-13984 and G5 West refers to water diverted under 29-13949, 29-13950, 29-13951, 29-13952, & 29-13985. Per Transfer #78314, both wells are listed as authorized POD's of all six rights however the conditions of approval per Transfer #78314 should be referenced for further information.

\*\*\*The Total Allotted by IDWR (8,030.9 AF) does not take in consideration a combined limit between 29-2509 and 29-7272. The two rights together have a combined limit of 408 AF which would reduce the total Allotted by IDWR.
